Unite Macarthur Help Defeat Cancer

Sooner or later every family is touched by cancer. Funds are needed to support the Macarthur Cancer Therapy Centre and the Paediatric Cancer Care Unit at Campbelltown Hospital and the Palliative Care Unit and the new Palliative Day Hospital at Camden Hospital. 100% of the funds raised stays local.

The 24 Hour Fight Against Cancer Macarthur is an outdoor, overnight fundraising event. It will be held on the 15th and 16th of October 2011, 10am to 10am.

Join with hundreds of others in this family event. Walk or run some laps, acknowledge months of successful fundraising, celebrate life and have fun. It caters for all ages. There will be entertainment, food, kids activities and the chance to contribute and support your local community. Everyone is invited. Come along for just as long as you can.

Set up a tent, gazebo or team picnic area. You can even camp out overnight. Walk, wheelchair, run or push strollers around the track - or do nothing at all except enjoy the fun and friendship. There's free entertainment for adults and children alike, time to celebrate the lives of cancer survivors and their carers and a moving Reflection Ceremony at dusk on Saturday night to remember and honour our loved ones who have lost their battle with cancer.

- STEP 3:** Collect \$15 from each team member to cover the cost of their event kit. You can add more members to your team at any time. Start small and watch your numbers grow.
